

Call for Nominations – The 2016 NIH Camera Club Lorraine Lasko Service Award

In 2013, our long-time member and dear friend, Lorraine Lasko, passed away. Lorraine made an exceptional contribution to our club by serving as our Program Chair – arranging for all of our speakers and judges – for over 10 years. To honor her, the club created a special award called the NIH Camera Club Lorraine Lasko Service Award (or the “Unsung Hero” award, for short). This is an annual award and it is time to issue the Call for Nominations for 2016.

Our club is fortunate to have many people who have provided significant service to keep the club running smoothly for the benefit of us all – and we are very grateful to all who have given so generously of their time and talents. However, the Lorraine Lasko Service Award will recognize exceptional service to the club, whether it be long-term service like Lorraine’s or service during a shorter period of time that required exceptional time and effort.

To be eligible for the award, a nominee must be a current member of the NIH Camera Club. However, the service to be recognized may be either past service or service the member is currently providing. An individual member may only win the award once. The award winner will be selected by the Board in a written, secret ballot. Current Board members are eligible for the award; however, if they are nominated, they must recuse themselves from voting to select the winner of the award.

Any current club member may nominate someone for the award by filling out the form below. The Board will accept one nomination per club member.
