

Denise Silva's interest in photography started when her grandmother would share images from her travels to Egypt and Africa for safari. The evenings watching slideshows set the seed. 35-years later those seeds took root and inspired Denise to embrace photography and more specifically travel photography and Road Runner Photography Tours was born.

Denise has been recognized as one of the top 200 women photographers who inspire by Nature Photo Guides and has had multiple articles published in Extraordinary Vision (EV) Magazine and is a featured artist in Breakthrough Photography's Guide to Night Sky Photography.

Her passion is to share her knowledge of photography, while introducing people to the amazing landscapes, wildlife, and people all over the world.

She has contributed multiple articles to Fujifilm X/GFX USA website and has been interviewed by Peggy Farren, of Understanding Photography, on Overcoming the Challenges of Street Photography.
